

### Advisory Board Member Transparency Statement

I as a member of SEE Change Net's Advisory Board understand and accept that:

- a) I have no executive function or institutional governance function in the organisation and absolutely no direct or indirect link to any decision making that is the function of the Steering Board;
- b) I am a source of advice on the strategic direction and partnership and provide support in relation to my specific expertise and experience;
- c) This role is completely unremunerated and on a pro bono basis save for out of pocket expenses;
- d) SEE Change Net is registered under Bosnian law as a non for profit foundation and is forbidden to make profit in any given financial year
- e) SEE Change Net, when a beneficiary of EU funds in excess of €500,000 per year, is audited and performs an expenditure verification with an external auditor every year, which shall be posted [here](#)
